

# Welcome to IATSAT

Let's transform  
Education together...

# “ All that you need to know about IATSAT”

IATSAT (International Accredited Talent Scholarship Admission Test), is bridging the gap between industries , Universities and Schools. “IATSAT”, a product of One Alphabet Educational Society is world’s first 100% philanthropy EdTech company based in India and Australia, bringing Innovation in education and social development. We believe in exhibiting immense interest in guiding young minds to success. We visualize IATSAT, as a place where each child will get quality education and youth will acquire an opportunity to succeed.

# Our Mission

We are committed to realizing our vision by facilitating resource-based learning that drives exponential growth. Our mission is to enable economic independence through education within our community, ensuring that everyone has access to the knowledge, resources, and opportunities needed to build a brighter and more prosperous future."

# Our Vision

Vision :

"At IATSAT, we aspire to influence global priorities for the future by embracing experiential learning as our core belief. Our vision is to create a world where knowledge is a catalyst for positive change, empowering individuals and communities alike."

# Ravin Dutt

## Founder

Harekrishna !

As the Founder of IATSAT, I bring a rich tapestry of experience spanning 14 years across the banking, consulting, and education sectors. My academic achievement includes a gold medal in International Marketing from Edinburgh University, and I've held the esteemed position of the youngest Director at a top-tier financial institution. My passion lies at the intersection of quality education, technology, innovation, and social justice. In 2016, I embarked on a visionary journey, founding IATSAT, the world's pioneering 100% philanthropy-driven EdTech company. Today, IATSAT proudly collaborates with over 1000 schools in Australia, New Zealand, India, and the UAE, driving a transformative mission in the realm of education.

# Prof.Pallavi Co-founder
